Check out what others have to say... **tripadvisor**

"This is just to say thank you for a very enjoyable trip with your company today (Hot Water Beach and Cathedral Cove). Everything was perfect. Timing. Bus. Location. Your guide (and driver at the same time) was well informed, flexible, charming, witty, intelligent, interested in his guests. He answered all our questions - no matter how stupid they were. It could not have been better. My friend is a kiwi and has the same impression. Your company is top! Beste Gruesse!"
